How Can Parents

allow their children to cough and strain and cough and calmly say: "Oh! it's only a little cold," and keep giving them cheap and dangerous medicines, until they are down with lung fever or consumption, when they can be so easily relieved by BEGG'S CHERRY COUGH SYRUP? It has no superior and few equals. W. H. Chedic, Druggist.

What on Earth

Is the reason people will not, cannot, or do not see any difference in cheap nos trums put up by Cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world wide reputation and one that is giving universal satisfaction at equal price? No medicine in the world is giving such unparalleled satisfaction for purifying the blood as BEGG'S BLOOD PURIFIER & BLOOD MAKER, and every bottle that does not do its work, will cost you nothing. W. H. Chedic, Druggist.

THE LADIES' LAUNDRYING MACHINE.—Patented in the United States and Canada. The first Laundry Machine ever invented for family use having a Stationary Tub-rest, Patent Washer with Automatic Adjustment, a High Pressure Hard Rubber Wringer, Folding Clothes-rack, all combined in one patent, hence but one royalty. Not a fit, but an expression of delight. "About a week ago," says a Los Angeles, Cal., druggist, "a Chinaman came in with a lame shoulder. I sold him a bottle of Chamberlain's Pain Balm and guaranteed that it would cure him. He came in again last night, and as soon as he got inside the door, began to swing his arms over his head like an Indian club swinger. I thought the blamed fool had a fit, but he finally stopped long enough to say: 'Medicine velly fine, velly fine; ally same make me feel plenty good.'" Chamberlain's Pain Balm is without an equal for sprains, rheumatism, aches, pains or lame back. For sale by G. C. Thaxter.

THE THAXTER CASE.—The Justice Court was jammed with people yesterday to hear the trial of Frank Steinmiz, drug clerk for George Thaxter, charged with selling liquor after 12 o'clock. There was some difficulty in securing a jury.

The first witness, W. Millett, testified that he purchased half a pint of brandy there on the morning of the 8th at 12:30.

William Johnson purchased six bits' worth after 12 o'clock about the same time in the month.

Both T. Dempsey and A. Livingston testified that they had no spite in the matter, but it was merely a matter of business.

Deputy Sheriff Pine testified that Thaxter had no license to sell liquor.

There were witnesses present to show that they had purchased whiskey by the glass. This was to establish the character of the place to bring it under the 12 o'clock law, which only applies to places selling by the glass or drink. The Court ruled that these witnesses could not testify.

Steinmiz, the clerk, however, on the stand admitted that he had occasionally sold liquor by the drink and glass, and flavored soda water with it. He admitted selling it to the witnesses, but supposed it was for medicinal purposes.

Johnson swore that the clerk never asked if it was for medical use until after selling it and receiving the money.

After the evidence was in, the spectators were treated to a surprise by the District Attorney, who moved to dismiss the case. The case was accordingly dismissed by the Court.
